“ Florence was a special friend of mine. I would pick her up at her house to go to Red Hats and the Norland Garden Club. She was a blessing.

“ Je suis très attristée d'apprendre le décès de Florence. Malheureusement, je ne la connaissais pas personnellement, mais elle était la soeur de ma marraine Julienne. Lors du décès de cette dernière, elle m'a fait parvenir un souvenir d'elle. Je sais donc que Florence était une bonne personne. Je vous offre mes sympathies à toute la famille. Merci pour les communications,

“ To Florence's family, She was a wonderful lady and we send our prayers to you. We always loved visiting with her on our summer vacations to Pennsylvania and Acorn Circle. She would have us over for a beautiful brunch under her tree (and when the weather took it down we moved to her porch). Her infectious laugh and stories of her life will be remembered by us. “ Dear Family,
Praise be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we received from God" (2Corinthians 1:3,4) God does comfort us with the grand resurrection hope when he says in Revelation 21:3,4; "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be any more. The former things have passed away." What a God of tender mercies!
Sincerely Yours, Judy L.

“ I have many fond memories of Great-Aunt Florence. She was a kind soul who truly cared about what was going on in our lives. As our family grew and generations were added, it always amazed me that she knew everyone's name and who they belonged to. Safe journey Aunt Florence and may you rest in peace.

“ To all the family and friends of Florence:

I had the privilege of knowing and working with Florence O'Brien at the World Bank (International Finance Corporation) from the day she started in the mid-1970s until I moved to Colorado in 1980. I had no family in Washington, DC, and dear Florence was like a second mother to me. We shared not only many wonderful laughs together, but also core values.

Florence's and Tom's faith inspired me, and still does today. Even after I left Washington DC, moved to Colorado and married my DC sweetheart, Florence and I corresponded every year at Christmas to keep in touch (until the last few years). Those of you who exchanged correspondence with Florence know her cursive penmanship was impeccable, but got smaller every year!

I am so deeply grateful to have had Florence in my life. She was a devoted wife, faithful servant of God and cherished friend. In fact, a gift she gave me, a small nativity figurine, is the centerpiece of my Christmas holiday each year. It reminds me of her graciousness and brings me joy every time I rediscover it in my Christmas decorations box.

To her many nieces and nephews, I extend my deepest and most heartfelt condolences. Florence's was a life well lived, in service to others and to Christ. God bless you all.

“ Florence came into our lives when she & Tom bought the house next door in Chambersburg. In the 8 years we lived next to her we got to know her as a kind and generous neighbor and a wonderful, dear friend. She, and Tom before his death, were like grandparents to our 3 children and they will never forget the time they spent with them. When Mark's job took us to Iowa Florence remained close to our family through phone calls, letters and even a visit to our new home. She was a lovely, gracious lady and will be missed by all who knew her. We send our condolences to all of her family. Mary & Mark
