“ I worked with Leah at Sears in the 70's in the catalog department. I remember her with fondness; she was always warm,funny,and helpful. My thoughts and prayers are with you. May God give you comfort and may your memories of Leah help you through this difficult time.

“ My Mom and I met Leah when she and Woody lived at the apartments on Norland Ave. Then when she came to Falling Spring Nursing, I was a nurse there. I loved the person Leah was. She shared so many interesting stories. Mom remembers sitting and talking with Leah and sharing many stories about the past, of how their lives used to be. We are very sorry for you loss. Your family will be in my and my Mom's prayers as you grieve this loss. May God bless you all as you celebrate Leah's life and all of your memories of her life.
