“ Steve had an amazing smile that lit up the room. I will always cherish his friendship. He always helped me find my way and when he wasn't dropping knowledge on me we would talk about Law and Order. I miss him very much.

“ To all of Steve V.'s family and community, we have all experienced his fellowship and love and we all now experience our shared indescribable loss. Steve was a gifted man skilled in the language of the heart and practiced being love for all he came in contact with. His huge heart was uncommon among men and he shared it equally with all. Steve, you are missed and your love will forever burn bright in our hearts.
