“ I worked with Angie at First Data and she was such a joy to work with. Her sense of humor brightened days that seem to be hectic and dark. She adopted a cat from me "Minni" and I was so happy knowing that Minni didn't have to go to the shelter. Rest in Peace Angie!

“ Angie was a dear friend with a heart of gold and a great sense of humor. Many great memories- funny ones, too. She loved cats. Her sons were her world, though. As my name is also Angie , we called ourselves double trouble when we were hanging out together. LoL. Ang will be dearly missed by me and many others. Rest in peace, girl. Go catch up with your Farmer Bob and reunite in Heaven. We wil never ever forget you. Love ya.
