“ Tony was a childhood and lifelong friend of my Dad, Mario Pallini. I know Tony from pictures my Dad showed me and also when he visited him some years ago. I typed up letters from my Dad (passed in 2021) to Tony and read his letters to my Dad. He was a sweet and caring man and really loved and missed his wife, Arlene. My condolences to his family and prayers for all of his loved ones. 🙏🙏

“ Grandpap was always ready to talk ND football or WWII history. He loved visits with his grandkids and great grandkids and knew how to poke fun at himself. I'll miss his stories like I miss Arlene's banter with him. I'm happy they're together again.

“ Here are some of our favorite photos of happy times with Grandpap, as his grandchildren and great-grandchildren lovingly referred to him. He was loved dearly and is greatly missed, but we are comforted knowing he will now be spending Christmas with his beloved Arlene in Heaven.

“ My sympathy to all your family. Tony supported and helped me when I lost my wife. After Arlene passed he and I often talked after Sunday church service. We were able to help each other through difficult times. He was a gentle and very kind Christian. I will keep you in my prayers May God bless you. Jim Charlton
