“ I would like to send my heartfelt condolences to Barb's family and other friends. Barb was one of my judo students a long time ago and when I left for the Army during the Vietnam War, she continued her judo studies at the Chambersburg YMCA and eventually earned a first-degree blackbelt, one of the few women to do so at that time. She and her husband also were the first ones to use reel to reel film to film myself and John Ford demonstrating forty basic judo throws when we were in our prime (John is since deceased) and her daughter made a surprise appearance throwing John with a judo throw close to the end of the film. I shall always have fond memories of her not only as my judo student but also as a good friend to me and my family. I am so sorry for her loss. Reggie Hefner
