“ Aunt Bev was such a sweet person to all who met her. I have fond memories of her interacting with her "Mum" and her animals.. She always made me feel so special and I just loved her spaghetti. Her home was always opened and very welcoming. We all have regrets and mine is I wish I had made a visit to Hagerstown.

I love you.

“ My Aunt Beverly, or Bev shared such a wonderful life with the Lenna (Moore) & James Maguire (brother & sister) side of the family. She welcomed all into her home, filled with laughter, love and just plain crazy fun. There was always a cold beer waiting for all who traveled to make the trip. She was such supporter of anything you wanted to take on, providing encouragement, support and ideas which made you successful. She provided wisdom and guidance, while walking down your path. She will be joined by Jimmy, GT, and Chris, all of whom are having a beer without us. I wish them many more!! Miss you guys....

“ Just now finding out about Aunt Bev. What a shock. She was a lovely lady and beloved aunt to the Moore boy's and their families. Many happy hours were spent in Delaware and Hagerstown with Bev and Gramma Chris. In recent we had not been in touch as I would have liked - my fault. Wish I had called more often. She will be dearly missed by many. Enjoy that Michelob Light with Uncle Jimmy, Aunt Bev.

“ I'm so so sorry to hear about Bev. My father, Gary, worked for her and Jim for years at the station. They were both wonderful to my family. I remember her fondly. She always was nice to my sister and I. I can remember her having us on the backs of her St. Bernards, Splash and Brandy, like they were horses, we were all laughing. My sister and I grew up around the station with Bev in our life as children. I know she is in a better place now with Jim.
