“ *Dear Family,  
Those who have lost loved ones in death are "comfort beyond measure" by the Bible base hope of the resurrection.[JOHN 5:28,29] Imagine how you would feel to see your loved one raised back to life. Also, those who are resurrected in God's new world have the prospect of living forever! PSALMS 37:11; brings out that "The meek ones themselves will possess the earth and reside forever upon it." This is good reason to be "comforted beyond measure".  
Sincerely Yours, Judy L.*

“ *Brian: I've known you since you were 7 years old. You were such a character your entire life. Whatever type of mood I was in, you could always make me laugh. Being an only child, I always considered the Norcross Clan as my adopted family. I have alot of precious memories that will remain in my heart forever. My condolences to your family. Love always.....*
