

Brian L. Sensenig

December 20, 1968 - August 26, 2021

Brian Sensenig, 52, passed away August 26, 2021 at his home in Chambersburg, surrounded by his wife and kids. He was born December 20, 1968 in Ephrata and was the son of Carl & Arlene Sensenig.

Brian graduated from Ephrata High School in 1987 and received his Master's in Communications at Shippensburg University in 1992. He worked at the Public Opinion for 19 years and became a college communications professor at Penn State Mont Alto in 2005. An avid sports fan, he announced games and recorded stats at Shippensburg University and Penn State Mont Alto basketball games for many years. He was also an active member of the Cumberland Valley Model Railroad Club. But he spent most of his time with his family: playing board games and video games, watching movies and TV shows, and cracking jokes.

After 2 years corresponding as pen pals, Brian married Cecilia Von Possel on August 1, 1996. In addition to his wife, he is survived by children Jessica and Calvin Sensenig, parents Carl and Arlene Sensenig, and sister Connie Sensenig.

“ Brian is and will always be the love of my sister Cecilia's life. Not only that he was a loving husband and father, he also has become the 3rd brother to me. We all love him not only because he has become a member of our family also because of his sincerity and kindness. He was such a loving and caring person until the very end. I will miss hearing him say Ooh-la-la. Rest well Brian; we love you. From the Von Possel/Dela Cruz Families - Jing, Henry, Nikki, Steven, Mommy Pacita, Alan & Marivic; Charles, Jesu & Abby.

(Im sharing goofy photos of BriAn and our brothers Bong and Alan during one of their visits. And me with daughter Nikki many years ago.)

“ Carl, Arlene, Connie, Brian's Wife, & Children, I am so sorry to hear about Brian's passing. I never had the opportunity to meet Brian, but I remember Arlene talking proudly about her son when we worked at Oregon Dairy together. Please know that your family is in my thoughts and prayers during this time.

“ *One of Jess's friends. He always treated me like part of the family. I remember one time he came into my work (Payless at that time) looking for shoes for Calvin. Even though Jess had been gone at college, he still greeted me with the same warmth and kindness, and even invited me to their house. It meant so much to me at the time how warm and loving he was toward everyone.*
