“ We are so sorry to hear about your dad; I didn't realize who your dad was until I saw this obituary today-we knew Carl a long time-about 25 years -we always talked to him-he was a happy person-used to hang out with him at auctions-he was a great guy-again we are very sorry. “ Prayers for the family, I was a mechanic at Hal Lowry Ford. I worked under Carl and he was one of the best! We were still friends even when he left and I stopped at the Ice cream House every now and then. We played chess quite a few times. He's just another one of those people in my life, I will never forget. Rest in peace dear friend!

“ My deepest condolences to Missy and your family. I hadn't seen Carl in a long while but he was a good friend for many years. We had a lot of good conversations at the ice cream house and many Sunday afternoons playing tennis. RIP Carl.
