“ We always had some good laughs when we got together! Shared old memories of Altoona back in the day, our great generation! You always liked to have fun, some of us remember when you pushed an unsuspecting Barry off the houseboat into Lake Raystown! Ooops!!
We know you are laughing with the Angels now & reunited with Barry.
May your family find comfort in their Special Memories of you.

“ Carol, thank you for all the years of love and care you gave to everyone. You truly are an angel in Gods kingdom now. Your kindness and compassion will live on in the hearts and minds who knew you. A fantastic mother and grandmother. Seeing to all of Justin and Nathan's young lives from infants, through their young years and being there for them through it all. You helped make the grandkids who they are today. May you light shine always. We will never forget you.
