“ I do not even know where to begin. "Shakey" you were a well respected man. That will truly be missed by many. He worked long hard days to provide for his family. His friends as well. I know he helped my family out a great deal. As well as a lot of others. There's not enough words in this world to describe how great of a man you were. You will always be remembered how we knew you. Not how others presumed you to be. May you rest in everlasting peace until we all meet again. "Shakey"

“ I'm very sorry for the loss of your beloved Charles. There are two scriptures you may find comforting: John 5:28,29 and Rev. 21:3,4. May Jehovah grant you the same comfort as these promises come true.

“ There are not enough words that I can say about my best friend "Shakey." He was a great man. Always there for me and my family and I'm grateful. I had the chance to let him know just how much I appreciate him, my wife, would tell him at the end of our days "We thank God for him!" And are so blessed God put us in each other's lives. The kindest friend anyone could have. No matter how bad of a day he might have had - he still had that smile and made time to hear what you had to say. He helped a lot of people. My friend, you will always be remembered and greatly missed.
