

Charles Preston Quivers

June 29, 1953 - January 9, 2025

Charles Preston Quivers, aged 71, passed away peacefully on Thursday, January 9, 2025, at his residence surrounded by his loved ones. He was born on June 29, 1953, at Chambersburg Hospital. He is the son of the late Betty Mae Quivers and the late Richard Ellsworth Quivers.

He graduated from Chambersburg Area Senior High School in June 1972. He was a deacon at Mt. Moriah Baptist Church for 40+ years where he taught Sunday School, bus driver for all events, trustee, carried communion to local hospitals, nursing homes and the sick and shut-in, secretary of the Deacons Alliance Ministry and was currently serving as a deacon at Unity in Christ Church of Chambersburg. He served as a council member, was part of the men's ministry and sang in the men's choir but was willing to serve wherever needed.

He worked at T.B. Woods for several years and then as a truck driver for a total of 34 years combined at Horn's Express of Chambersburg, PA and Yellow Freight of Hagerstown, MD, earning his Driver of the Year and Million Miler awards. Charles was part of the Lebanon Cemetery Association for many years. After retirement from being a truck driver, he worked for the Chambersburg Area School District for five years and really retired from Seller's Funeral Home after seventeen years.

He lived for God first, his family and his grandchildren. He loved to sing and quote the gospel of God, play the tambourine, wake up every morning reading his Bible, The Daily Bread and The Upper Room while enjoying his Maxwell House coffee. He loved his mints and snacks. He loved MeTV and the Game Show Network. He loved the beach, music, cracking jokes, plays, concerts, eating out and vacations with his family and friends. He volunteered where needed for the whole community. His favorite sayings were "I'm just a phone call away (day or night), 10-4, just chillaxing, be safe and don't overdo it!"

“ Condolences to the immediate and extended family. Mr. Quivers was a good man and was always in a good mood. I didn't have very many interactions with him but the few that I did, he was a good male role model for the ones who didn't have that.

“ He was such a kind man. Every Sunday he made sure to say hello to me. You could tell how much he loved God. Always providing a bit of humor made him a joy to be around. Wish I could have meet him earlier in my life, it was my privilege to know him.

“ My early acquaintance with Charlie was just as a warm, quiet man who attended some of the men's Bible Studies at PCFS. I admired his gift for offering up very moving prayers!

It was after a memorial service at PCFS where Charlie was working with the team from Sellers that I learned more of what made him special. Before the service started, I saw my wife Beth making long enthusiastic strides toward Charlie with a big smile on her face and they shared a warm hug of long-lost friends. I had no idea how they were acquainted but the special regard was unmistakable.

Beth told me later that Charlie had been a custodian at the elementary school where she was a teacher. They enjoyed almost daily conversations about their faith, family, and friends. He stood out by cheerfully doing more than was expected of him. He clearly loved and cared for both the faculty and the students, even though they probably didn't even know who it was that cleaned the rooms where they spent so much time every day. He was a humble man and he excelled at his job - always with a servant's heart.

-And the King shall answer and say unto them, verily I say unto you, Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me. (Matt. 25:40)

CHARLEY WAS THE KIND OF A GUY THAT WALKED THE WALK AND NEVER COMPLAINED ABOUT IT. HE WAS AN INSPIRATION TO BE AROUND. I AM SO SORRY FOR HIS FAMILY. HE WILL NEVER BE FORGOTTEN.

The first time I became acquainted with Charlie was at a memorial service at PCFS (might have been for Jack's mother) where he was performing some duties for Seller's. My wife practically ran to him when she saw him and they shared a big hug. He was a former custodian at Grandview Elementary where she was a teacher. Charlie was always so positive, so helpful, & so diligent about performing his work. Sadly those simple traits caused him to stand out among his co-workers & she adored him for it. My wife is not easy to impress so with that, Charlie had my instant respect & admiration. The few times I got to share a Bible Study with him only deepened that respect.

We love you, Charlie!

So sorry to hear about Charlie, a true Brother in Christ. I can still hear him saying "Everybody I know wants to go to heaven, but nobody I know wants to die to get there!" Well Charlie, you finished the race, I am confident when you got there you were greeted with "Well done, good and faithful servant." May his memory be eternal.
Your BIC,
Dave
