“ *My uncle Charlie...i enjoyed immensely the stories of drag racing (mustang / comet), dirt track, deer hunting and him even taking me along to tower city / snowshoe to ride in the coal hills. I also remember like yesterday, standing along the lane as a kid watching him come home from drag strip with the mustang on the trailer being pulled by the black truck he called "the Skunk" - then watching him unload ...some really great memories - will be truly missed.*
