“ Rob, Ryan, Evan, Laura and Liz, it\u2019s hard to follow the Beautiful, Heart-felt Truths in the Obituary I read. I\u2019m sure you wrote it, Rob. It was perfectly said. for Your Wonderful Wife, The Mother of your Children, and a Dear, Dear Friend. I pray she\u2019s flying without pain, watching over us all. I have so many memories with Chris. Laughter and Love. Looking up... for you. you\u2019ll always be near and dear to the hearts you touched upon during your time on this Earth. L, Cindy
