“ To Connie's family, Please know we are very sorry for your loss. Having just lost Tom's brother, Harold Gabler, we know how difficult it can be. Connie was indeed a very sweet and caring person. She baked both of my son's graduation cakes and made a set of draperies. I would quite often see her at the bus ramp if I was subbing for a teacher that had the busy duty that day. We couldn't really visit but would just wave. Please know our thoughts and prayers are with you during this sad and difficult time. Love Tom and Bunny Gabler

“ May your hearts soon be filled with wonderful memories of time spent together until you meet again. The Bible promises a resurrection of our loved ones that have fallen asleep in death. Then we can be together forever in perfect peace , health and happiness, without the threat of death (John 5:28, 29). For more comfort from the Scriptures, please visit [jw.org](http://jw.org).
