“ Uncle David was always there, with his big heart and the kind of humor/laughter that could lighten up any mood. So many of my childhood memories include him, and our family won't be the same without him. Sending all my love and deepest condolences. He will be deeply missed. 💔

David was always ready to do anything he could for his mother in law ! Even when he didn't feel well he wanted to be useful and show his appreciation. Lori and David were a good team ! We will miss seeing him in our neighborhood. Dick and Carolyn Blackshire
