“ Oh my goodness where shall I start. The girls would come to our house and I would go to theirs. I'll never forget the girls teaching me how to make tacos. We had a ball together. Debbie will be missed by many. ❤️❤️

*I'm sending so much love to your family at this time. I really liked Deb a lot. In years past she supported Ann and me when we were new mothers trying to figure it out and navigate without husbands. She was funny and I remember her loving her bingo! I know she's going to be missed so much! Prayers for all for comfort and peace which surpasses all understanding. Hugs ❤️*
