“ Dear Olson family,  
I know you do not know me but I wanted to extend my condolences during this very difficult time. Death, sickness and pain are not things that Jehovah God intended at all for mankind. The Bible even calls death an enemy (1 Corinthians 15:26) But soon the enemy death will be done away with (Isaiah 25:8). We can have confidence in all the Bible's promises.

“ My deepest sympathy to Rick and Judy on the passing of your Mother. I was so shocked to see in the newspaper that she had passed away. I know how much she will be missed. Please don't hesitate to call if there's anything I can do to help!

“ you were the kindest most warm hearted person i ever knew, i am forever grateful for what you did for me and will never forget you!!

*For Dort*

*Although we cannot see you,  
we feel your presence near.  
we hold you close in memory,  
Till we drop our very last tear.*

*So sleep now with the angels,  
And your golden heart let rest.  
Although our hearts are broken,  
We know GOD took the best.*

*So dance beyond those golden gates,  
And join your loving mum.  
we'll see you when were sleeping,  
And pray for you to come.*

*And although this pain is painful,  
And we really don't wanna let you go.  
we'll wait for the lord to call us,  
So we can together one day glow.*

*Until that day we close our eyes,  
and see your smiling face.  
we lock you up inside me heart,  
Until we again embrace*

*So rest now grandma Dort  
we'll never forget how much you have done.  
until our hands meets yours again,  
Sleep peaceful now in the sun.*
