“ God bless my darling husband Travis and all his siblings. Your mom was the most giving of her complete love and self to anyone who was blessed to every meet her. She was not my biological mom but she showed me unconditional love as if I was her own. I have been blessed to be part of this family for 25 years! We have had our bumps like any other family! But I love you all and your spouses, fiancés, and children with all my heart! I am here for all now and always! ♥♥♥♥♥
