“ *My beautiful Beth, you were the light of my life and the love of my lifetime. I loved you more than anything. You were taken from us far too soon and we are all heartbroken. I know God needed another Angel and you were the most angelic of all. I know you are in Heaven and pain free. Please look over and protect us and be my guiding Angel until we can be together again. I love you dearly and I miss you terribly. I will wear you near my heart forevermore and our rings will be together as we wanted to be. All my Love, my Dear and Lord, please take care of my Angel. Goodbye my Love!*
