“ Sympathy and Prayers for the family, including sister Deb. Being a neighbor in our your years, reconnected thru my medical jobs we were starting to know each other again. Very friendly as I always remembered. I'm sure he will be missed by his family a lot. God bless.

Frank was literally everyone's pap. He was like glue that held our little circle family together in the park. He looked out for anyone. Would bend over backwards for anyone. He was the type of man, that slowed down and enjoyed the scenery. I am sending my love, hugs, & comfort to you all. He will greatly be missed. We love you homer !!!!! I hope your ride off into the sunset was beautiful as ever seen before ❤️
