“ Karen and family, just saw this obituary today and we are so sorry for your loss. I have known Greg since we worked together at Truck Craft 2005-2010. We also worked together at Grove, as, well. Greg was a very nice man. We laughed a lot together and he will be missed. He always talked about his daughters and grandchildren. A very family orientated person. You all will be in our thoughts and prayers. Sam Daley.

“ Greg has been a blessing to our family, and all those he knew and loved. We had a lot of great memories together over the years celebrating holidays, birthdays, and lots of fun times on Raystown Lake. He had an amazing taste in music, and was always such a calm and kind person to be around. He helped us with projects and had many ideas and goals. We will love him always and forever! Thanks to everyone who was a part of his services today. Having him taken so soon has been very hard, but we need to remember these good times and cherish all that he has taught us! Love, Jen Mellema & Karen Stine
