“ Glenn and I want, to extend Our deepest Sympathy, to You... I have many great memories, of both, of Your Parents... I remember them sitting on the bench, chatting, with friends, at Binkleys' store, in Altenwald, Pa... Your Family's visits, to Our Farm, when we were Kids... I remember, Your Dad as a very kind, gentle and caring, man... It has been many years, since I have seen him... I often passed, their last house in Chambersburg and wondered, where he had gotten, too..... You had Great Parents..... With Sympathy, Love, Prayers and Blessings, to All of You... “ I was saddened to hear of Hubert's passing. Many years ago, my deceased husband, John, and I were close friends of Betty and Hubert. We traveled and attended many social events together. I have such wonderful memories of the times we shared. My family and I send our sympathy.
