PO

*Dear Cathy and family, I am so sorry for JC's loss. I can hardly wrap my mind around this. When Rich was still alive- had to be 10 years ago- we talked some to JC in the library! He was studying, he said, for his pilots license. He was surrounded at the table in the back with all of these books laying open around. We wished him luck but never heard anymore about it. Prayers for peace and comfort.*
