“ Jean and I both worked for The Arc of York County many years ago. Barry you also helped the staff with computer skills. I was so sorry to read this in the paper. Jean was a very sweet person and dedicated to her work. My sympathy and prayers go out to you and your daughters.

Jean was my neighbor at Stone Wood Farms in York. I knew her since 11yrs old. We went Thru school years together until graduation. That included, waiting in freezing cold for the bus. After graduating from Central High, York, Pa. we both went out of state for college. Jean and Barry were high school sweethearts, destined to get married. They were the perfect couple. And Barry treated her like a Queen during their years together. He took wonderful care of her during her health struggles in the last years.

My condolences to all her family and especially to Barry.

Best regards,
