“ Ray and Bonnie, I'm sorry. I have a memory of Jeff, Greg, Randy, and I riding around town. We had to pee and went behind some building. The police pulled us over later and called you to come pick your boys up. They told you there were 2 other boys. You said you would grab their parents on the way in. I am truly sorry for your loss. There are so many memories from our childhood. Bless you all from North Carolina.
