“ I'm so glad you don't have to deal with any of this here anymore. None of the bull and none of the pain. I won't be able to see a Harley or a Corona without thinking of you. I think of you every time I see a sign you built. We sold my uncle Bo our home, that house has memories inside and out. It puts a smile on my face every time I hear a song that "Cocked Eyed Jerry" used to play in our basement. I think of you asking the grocery clerk for frog pudding. You're gone yet I see and hear you everywhere. Needless to say, you'll never be forgotten. You'll forever be missed and loved. ❤️

Jerry...Our hearts are aching for you and your family. You were such a big part of our family for so many years. We shared laughter and tears, good times and bad times. We saw your courage and strength fighting to beat the cancer. So now you will have no more worries and no more pain. And we will miss you. Say hey to Pa for me. We love you.
