The family would like to thank all of the staff at Quincy Village for their continued patience, kindness and wonderful care for Jody during the last year and in her final days.

Since Jody was an animal lover, the family suggests contributions be made in Jody's name to your local animal shelter.

“ I remember Jody as a pre-teen and teen. We lived on neighboring farms. I loved going to their house, and helping gather the eggs which they sold locally. Jody and I both shared the love of baton twirling. I was in awe of her when she was accepted to attend the prestigious Mercersburg Academy. She was among the first female students when the institution went co-ed, which had to be very intimidating for a young woman.

I knew Jody at Mercersburg Academy. We were both first year, and she was in my Russian class with Mr. MacGruter. She was one of three of the first women to attend Mercersburg. I left the following year and graduated from Lawrenceville School.

To: Curtis Quintillian McWilliams - hello! I remember you! First, the Russian teacher's name was Magruder (not "MacGruter"). Second, I believe there were several more women than 3 attending their first year at Mercersburg in 1969-70; in 9th grade alone, there was Jody Gullett, Amy MacDonald, Robin Grove, Maude Scott, and Lisa Humphries, plus several more in the upper grades.
