“ Although I know you are in a better place not a day goes by that I don't miss you and wish you were still here. You were always like a second father to me, so giving and warm. I always enjoyed spending time with you, I have fond memories of coloring, painting, making pea boats, shooting bb guns, making stuff out of clay, helping you in the garden, and so many more that I will cherish forever. You enjoyed your saltine crackers with butter and coffee on top, sardines, and loved your coffee. Your catch phrase “cool beans” will forever be in my head. I love you so much pap and I always will. May you rest in peace, I know you'll be up there watching over all of us and that thought makes me happy, I'll make sure to tell your great grandchild all about you when he or she arrives.
