“ Aunt Shirley,

I wish we could be there at this time. Uncle John was so special and taught me so much as a kid. He was an amazing man and always had a smile on his face. I always looked up to you and him. I hope to see you soon and love you. Our condolences go out to you.

As you know we think the world of you and John. You both will always have a special place in our hearts.

John was one of a kind, a wonderful man!! Can't help but still imagine seeing him outside, either in the garden or doing some sort of yard work.

Absolute best neighbors we've ever had the pleasure of living beside. If you need anything, day or night..no matter the time, we are and always will be here.

We love you
