“ Dear Schriver family,  
I am very sorry for your loss. The Bible gives us a wonderful hope for the future. John 5:28,29 says "Do not marvel at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out." What a time that will be seeing our loved ones again!

“ John,  
  
I will, and already do, miss you so very much!! I know you'll be watching over my family and all of our loved ones. You always told me that you know what it's like to be young, but I don't know what it's like to be old... that is still very true. Ha. I'm sure you'll help me get through figuring out what being old is like though. I'll love you always dear adopted grandfather. You've made a huge impact on my life, my family's life, and many many others!! It's hard saying good buy to you, so we'll just make it a "see you later". Enjoy those "Meals on Wheels" and being reunited with Schatzi and Stella.

Love,  
You're adopted granddaughter,  
Katelyn

“ I will miss John's Horse Valley presence. His friendship, big smile, and cooking skills made work days and Labor day special.  
In fact, any time spent with him was special.

“ *Oh Johnny Boy,*

*I am not sure how you did it. But, that talent for falling asleep in mid-sentence; then picking up right where you left off 30-seconds earlier, without missing a beat, was purely entertaining.*

*Love you always,  
Forever*

“ *Hi John, I know your looking down and watching over all your loved ones with your wife. I met you many years ago through my brother. Sometimes we would only see each other once a year it was always a pleasure to see your smile and kind hospitality.*
