

John L. Weeks

October 28, 1958 - September 24, 2021

John A. Weeks was born on October 28, 1958 in Lancaster, Pennsylvania. He was 62 years old. Some of the most important things in his life were his wife, children and three grandchildren. He enjoyed all the years he spent coaching Junior League Football and Basketball and later coaching high school basketball. He was a Veteran and served in the United States Army, where he worked for the Maryland State Corrections until he retired. He then went on to work with children with behavioral issues for many years for the State of Pennsylvania and later to work for the Pennsylvania school districts, until the pandemic began. John really enjoyed impacting children's lives. Those children, and the parents as well, had nothing but respect and admiration for him. Surviving are his loving wife, Andrea K. Weeks, daughter Jenise N. Weeks and her two children, Janelle Smith and Mark Smith III; sons, John A. Weeks, and Andre' A. Hudson Weeks and his two children, Andre A, Hudson Weeks and Ayan Weeks. He is also survived by his sisters Louise, Caroline, Lorraine, Diane, Arlene, and Tina. John was a smart, strong, witty, loving and persistent individual. He believed in family, values and morals. We will never forget what he taught us. He were the father figure for so many and he will be very much missed. We love him so much and it's going top be tough adjusting to our "new normal". We thank God he was here and he showed us what a daddy was supposed to. He never judged, he just wanted children to do what he knew they were capable of doing. All of his children will be here for "mommy". We won't leave her and we know that he is with grandmom and

pop pop. He will just keep smiling down on us and we will never, ever forget him. Until we meet again... So long....

“ My condolences to the Weeks family. I used to see Mr. John at Scotland elementary school almost every day and we would chat it up about all kinds of things. We shared a lot of the same viewpoints. He was a very kind soul. I was saddened to hear of his passing. He will be missed!!
