“ Thankful to know that Kenneth had such a wonderful and meaningful life. As a teacher I taught hundreds of children.. I remember many many fewer.. But I remember your dear Kenneth. He was kind.. quiet .. polite. He was a larger than average Kindergarten child.. One day I was reading the kids a book as they sat on the floor in front of me..I looked up to be sure they were all paying attention and there was Kenneth with a classmate on his lap... not his choice.. The child felt safe there. Kathy Frey

“ Kenny, what can I say you were always friendly when I seen you. Unfortunately, it was always at a funeral. We get so busy with our own families that we never see family. This was definitely a shock cousin cuz you're a lot younger than I. Lisa, my heart goes out to you. I'm so sorry. Kenny, rest in peace. I'll see you again . Ilene Crouse

“ May the love of God bring you comfort at this difficult time.
At this time of sorrow,
may these truths sustain you...
Your loved one will always
be as close as a memory,
and the God of all comfort
will always be as
close as a prayer. God Bless You Lisa. Hugs. Praying for You 🤔❤️
