

## Kittijo Marie Davis

April 21, 1969 - December 8, 2025

Kittijo Marie Davis, 56, of Greencastle, passed away on Monday, December 8, 2025. Born on April 21, 1969, in East Stroudsburg, her personality truly matched her extraordinary energy; she was a force of nature whose infectious laugh and brilliant smile could light up a town. Everyone who knew Kittijo or knew of Kittijo wanted to interact with her. Her children will tell you that she never met an obstacle she couldn't overcome.

Kittijo, of "Kitty", had a hand in raising all of her siblings and left a permanent, loving impression on anyone lucky enough to encounter her.

Kittijo was a cherished daughter of William D. Davis of Stroudsburg and Donna Johnson of Bartonsville.

She is survived by her loving children: Gerard (Courtney) Davis, Cameron Campbell, Tyson Brown, Brittany (Travis) Wolfe, and Samuel Daley. She leaves behind her adoring grandchildren: Carter, Phoebe, Gunner, Leeyona, Taylor, Remi, Addie, Rayne, Cameron Jr., and Kahori. Kittijo is also survived by her siblings: Matthew Davis of South Carolina, Becky Soto (Davis) of Bethlehem, Tyrone Davis of Stroudsburg, and Carrie Powlette of Stroudsburg.

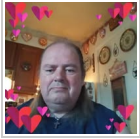

She was preceded in death by her beloved "Nan", Sylvia Johnson, and her brother, William D.T. Davis.

Services will be private. A Memorial Service to celebrate Kittijo's life will be announced and held at a later date.

In lieu of flowers, memorial remembrances may be made to the family toward funeral costs via two GoFundMe links: <https://gofund.me/58adf531a> and <https://gofund.me/9d39d9067>.

“ *Kitty Jo you will surely be missed by so many people you had a heart of gold I'll never forget the first time I met you we worked at ABC laundry and then I introduced you to my nephew to Timmy. We had some good times I used to go to your house when you lived with Pernel I was just looking at your pictures that your daughter had put online and you're always as beautiful as always but you're in God's hands now and pain-free and we will all see each other again someday you hold a seat for me I remember when I went to your house you made us breakfast and you said you want a bullseye I said what the heck is the bullseye and you showed me how to do it by cutting a hole in the bread and putting it over an egg yolk it was funny cuz I would have never ever guessed something like that I wish I could have seen you more than the past but it's so hard with everybody that moved away and with the gas prices and stuff but just remember everybody loves you and if the haters hated you let him go you know what they always say karma will get them but until we meet again you rest easy and keep an eye over the grandchildren and you're beautiful children and I love you and I always will your friend tinker*
