“ *To the Family of Larry Herb,
My sincere sympathies to all of you in the passing of Larry.
I was assigned to the Chambersburg station in 1968. as a new
graduate and Larry was my coach
He taught me a lot about the workings of the department and how to
conduct investigations. He had a good sense of humor and his
favorite saying was "so you want to wear the big hat" I was able to
converse with him from time to time when he worked at
headquarters in Harrisburg. He was one of those that you never
forget. He was a credit to his Family,his Country and the
Pennsylvania State Police.
