“ We served Lester with Meals on Wheels for several years. We always thought his quiet nature really said he has a lot of stories to tell... Reading his obituary, we see he did. Thank you Lester for your service. Blessings and Peace to you his family. Steve and Kathy

“ My husband and I have delivered Meals to Lester for many years. He was a man of few words but always expressed his "Thanks" and on occasion would tell us to "Be careful out there". He will be missed.
