

Losie Mae Ransom

June 24, 1941 - August 21, 2022

Losie M. Ransom, 81, of Chambersburg, PA, born June 24, 1941, in Greenville, MS., the daughter of the late Richard Broadway and Albidia Harris. She was preceded in death by Georgia Stanford, Clemente Andujar and Victor Andujar.

She was social worker and a care giver at several agencies in the town of Chambersburg, too many to list.

She enjoyed taking care of many adults and children who had special needs and/or

disabilities. She poured her heart into her work, but she never saw it as that.

Wherever

there was a need Lois was there.

After resigning from the care giver position, Losie started a new journey at a new job

location, Letterkenny Army Depot in Chambersburg Pa. She was responsible for

working on huge Artillery tanks from 5/8/1978-10/13/1998 until she retired. I

guess you

could say that she served her country too.

I say Lois because that's the name everyone called her, but actually her name is

pronounced Losie they never got the pronunciation right and it never bothered her. All

she was concerned about was their need.

Truly she was a remarkable woman who always gave 100% of herself to others and her family.

Her surviving children are sons, George W. Stanford of Chambersburg Pa, Jimmie

Broadway of Arkansas, Jose Andujar of Charlotte N, C., and daughter Barbara Jones

and husband Tommy Jones of Harrisonburg, VA. She is also survived by several

grandchildren and great grandchildren.

A celebration of remembrance for the family will be held privately.
