“mom I know you are dancing with JESUS. Thank you for preparing us for this time & for my brothers & sister. You taught us well. Watching my sister Suzanne & my brother in law Chris caring for you as you proceeded on your journey home. They provided you the care & support you gave to us. They shared their home with both you & Dad & all of us as we visited with you. Kevin saw you & Dad walking by a lake in his dream. I remember you telling Dad when he was going to Jesus" Bob' I will not be far behind you. Meet me by the River”

“My heart is filled with sadness at the loss of my dear friend Mabel. I looked for her beautiful face each Sunday at the 30 West Restaurant, along with her daughter Barbara. I so enjoyed sitting and talking to them. Mabel was such an inspiration and a beautiful woman inside and out. Although I was unable to see her for months due to inside dining being suspended - I'll cherish forever my memories of her. My deepest sympathy to the family and especially her daughter Barbara (whom I called Blanche). Your friend, Michael Lushbaugh
