

## Maggie Lynn Hill-Webb

March 14, 1980 - February 2, 2026

It is with deep sorrow and heavy hearts that we announce the passing of Maggie Lynn Webb, age 45, who departed this life on Monday, February 2, 2026, at her residence in Chambersburg, Pennsylvania.

Maggie was born on March 14, 1980, at St. Francis Hospital in Rock Island, Illinois, to her loving mother, Lorena Johnson, and her late father, Carl Hill. She attended the Chambersburg Area School District, where she was actively involved in many activities, including cheerleading. Maggie's vibrant personality, radiant smile, and natural ability to bring people together made her someone you were instantly drawn to. She also attended Mt. Moriah Baptist Church, where she nurtured her faith and love for everyone. After high school, Maggie worked in the food industry as a dedicated server. She had a gift for hospitality - she didn't just serve food; she served joy, laughter, and conversation. Her warmth made people feel at home wherever she was.

Maggie had a deep and undeniable love for music. She believed every moment in life had a soundtrack, and if you knew her well, you probably shared a favorite song that now carries her memory. She enjoyed attending concerts and comedy shows, always ready to sing along or laugh until her sides hurt. She faithfully watched her favorite shows every week, checking in to see if you did so you could catch up. She loved cooking for those she cared about and if you ever stopped by, you already knew the ginger ale had to be Canada Dry.

One of Maggie's most remarkable traits was her love for numbers and dates. She never forgot a birthday, anniversary, or special occasion. She made people feel seen, remembered, and valued. To know Maggie was truly to love her. Her presence was comforting, her laughter contagious, and her love unconditional.

Above all, Maggie cherished her family. She especially enjoyed spending time with her children, grandson, and loved ones, creating memories that will live on forever.

Maggie leaves to cherish her beautiful memory: the father of her children, Christopher Webb; her beloved daughters, Iyonna, Heaven, and Allure Webb; and her treasured grandson, Khadafi Floyd-Webb all of Chambersburg, Pennsylvania.

She is also survived by her grandma, Loretta Gordon; her mother, Lorena Johnson; her mother-in-law, Deborah Quivers; her stepfather, Danny Johnson; her sisters, Leah Owens and Carsha Craig; her brother, Darnell Johnson; her nieces, Laila, Alani, and Saniyah; her nephews, Kemaj, Grandell, Ronald Jr., and Desmand; along with a host of aunts, uncles, cousins, extended family, and many dear friends.

Maggie was preceded in death by her late father, Carl Hill.

Though her earthly journey has ended, Maggie's love, laughter, music, and memories will forever echo in the hearts of those who loved her. Her spirit lives on in every song that plays, every family gathering, every birthday or special occasion.

She will be deeply missed and forever loved.

“My deepest sympathy to Maggie's family and everyone who loved her. I met her years ago when she was a server at Rosalie's. I lost track of her when she left there, and hadn't seen her in quite some time. Years later my husband and I went to eat at another restaurant, and there she was! She waited on us and immediately remembered my name after all the time that had passed. As soon as she smiled at me, I said "Maggie" and we hugged. When I heard she had passed, my heart was broken. I just wanted her family to know that she was such a kind and caring person and I was blessed to have had her in my life....even though it was not for long enough! Rest in peace sweet Maggie.
