“ I met Kelly when she worked for 92.1Gold in Greencastle. We have been friends since that meeting. She is truly one of a kind. Loving, caring, giving. She was so much fun to hang out with. Always alot of laughs. She truly did love her animals, her friends, and her husband. Hans, I am so very sorry for your loss. She will always be with you. God bless you

“ Kelly, or Kel, as many of us loved calling her, was passionate about her work and her community. I had the great privilege to work with her, but most of all, I had the great privilege to truly get to know her and call her my dear friend. She was an Aretha Franklin, coffee/beer, cat (all animals really) lover kind of person...and then some. She was true to her beliefs and was not afraid to speak her mind. She was loving and caring. I could always count on her to talk about everything and anything, and I could always count on her to get an honest and not a sugar-coated answer (those of you who knew her well know what I mean 😊) At work and outside of work, she was so much fun to hang out with. She was a hoot! I'm going to miss all the teasing and mind-reading moments with her. She was a true friend who I will terribly miss. I will always treasure our memories together. Love you always Kel, Wendy.

“ There isn't much I can share about Kell that most don't already know. The best, a one of a kind, wild, crazy, and the most loyal person you could ever want on your side. She loved hard and was loved in return. Her love of animals was her passion, and her kindness never stopped. She was like a big sister to me, and her friendship meant so much. I will miss our, "read my mind" moments, our dinners with our men, girls' trips, and comical moments filled with laughter uncontrollable. Rest easy my friend. There won't be a day that you will not be thought about! Love you forever, Leisa

“ Kelly, I am so fortunate to have met you and work with you when you came to visit us at the 81 North Welcome Center. You were always so accommodating and kind. You had a great sense of humor and I will never forget our laughs we had, while at the same time making memories. RIP my friend. You will be missed. Many prayers to the family during this very sad time. Linda Hoover-Munch.

“ Kelly was Kelly! She was loyal. She told it like she saw it. She would help in any way she could--give a donation, volunteer her time, rescue a needy animal. Short fuse and a huge heart! She was a confidante and true friend guided by what she saw as right-- so real in a world that is too often not what it seems. I am going to miss being able to say, "Hey, Kel, tell what you think..." I will think of her every time I drink a Dunkin Donut coffee or when the office runs out of Dunkin pods, guaranteed to elicit a classic Kelly response. Her personality filled a place. I know there is a piece of Kelly with me but am really going to miss her!

“ Maria was a loving, generous, passionate, giving, funny, special person, and my very best friend. I will carry all the memories we made together, and all the laughs we shared throughout the years, with me forever. Good bye to a one of a kind person, you will be greatly missed by so many. The world has lost a kind and gentle soul. I will love you forever dear friend.
