“ I am so sad to hear of Matt's passing. I got to know Matt through the local music scene. He and I were fellow drummers. He was such a kind and gentle person. Always encouraging. He could play just about any instrument. He will be missed. Rest easy my friend.

“ Terribly sorry for your loss. Matt had such a great spirit about him. Blessed to have had the opportunity to work with him. Although it was several years ago that we worked together it was such a treat to be greeted with his warm smile and quick "catch up" when we'd see each other in passing.
