“ My sympathies to all of you. I have so many memories of each and everyone of you and will always have a place in my heart for your family. I remember your Dad as a burly, tough Russian with soft heart. Many, many times he would ask me if I had a home but always let me tag along on vacations, going to visit his Mom in Harrisburg and join in on the family meals when he already had enough mouths to feed. May you all find peace in knowing that your Dad is finally reunited with his wife, your Mom, Alvie and in the loving arms of his Savior. Hugs to each of you, Jackie
