“ To the family of Dr. Khalifa: I would like to extend my sincere condolences to you upon Dr. Khalifa's passing. I was one of his patients and, in fact, the last patient he saw prior to his retirement - a visit he kindly gave me free of charge. I consider myself fortunate to have had the services of a physician with such competence, commitment and professionalism and such an uplifting sense of humor. Please accept my most heartfelt sympathy at this time of loss.

Sincerely,
Tony Saitta
