“ In grade school Elaine was my best friend and I spent many days, meals and sleepovers at her house. Her mother became my second mother. She was always so kind to me. Many a Saturday she ran us to the movies or took us to West Virginia . So sorry for your loss Elaine. You are all in my thoughts and prayers. Love , Nina

“ The last time I saw my G.Gma was right before she had to go into assistant living my mother and I came by for a vist and we ended up just sitting around in her kitchen talking she told me storys about (her daughter) my grandmother and my mother when they were kids. my mother Lori and her then started to show me clothes that my mom and grandmother wore in the late 70s and 80s. I must say that the fashion back then was really something else lol. Anyway I wish I would have known then what I know now that that would be the last time i got to see her and it would be the last time I got to hear her soft loving voice. I wish I would have asked more questions and got to know her better I wish I could have spent more time with her so to Naomi my beautiful great grandmother I thank you for being you and living your life to the fullest. without u there is no me. I'll truly miss you but I know your happy now up in heaven with tony may you rest in peace. I love you
