“ Dear Family,
Those who have lost loved ones in death are "comforted beyond measure" by the Bible based hope of the resurrection.(JOHN 5:28,29)
Imagine how you would feel to see your loved one Patricia raised back to life right here on the earth. Also, those who are resurrected in God's new world have the prospect of living forever! PSALMS 37:11;brings out that "The meek ones themselves will possess the earth and reside forever upon it." This is good reason to be "comforted beyond measure". Sincerely Yours, Judy L.

“ I was blessed to know you Pat, and have counted it as a privilege to call you my mother in law. You were a wonderful grandma to our sons, as well as to all your granddaughters. You will live on in our memories forever. Jesus came to set the captive free and I know that now you are free from Alzheimer's disease now. You have your thoughts and your precious memories back. Thank you for sharing your life with us all.
