“ With caring thoughts at this difficult time. A message has been sent to you in sympathy and though the words are few, still may they help to ease the loss of one so dear to you. She will be missed by many.

“ Bob & I have known Pat & Jack for many years. They truly were the best. Pat being a beautiful person inside and out, You could see the love they had for each other. But you could see they loved people and the Lord Jesus Christ. You all have our deepest sympathy. We wish we knew sooner so we could come and say our final farewell.
