“ Preston was a good buddy of mine though we never hung out much outside of school we talked in the hall as much as we could. Preston always had a smile on his face and was down to do anything fun. He has been a blessing on my life and I'm sure has been a blessing to many others. Rest In Peace buddy.

“ Living so far away, we didn't spend much time with Preston. But his Grandma Sherry brought him to visit us. He left great memories here and could not get him to call his Uncle Larry by his name. To him, Uncle Larry was his Uncle Fred. RIP Preston. ❤️
