Note:

Ramona "Monie" Helsel, born November 17, 1928 to Frank better known as Cotton and Ruth Zimmerman.

A loving and devoted wife to Philip E. Helsel for 51 years. A nurturing and truly giving mother to Gary, Jeffrey and Michael Snyder, as well as daughter Theda Doleman. A grandmother who would do anything for her grandchildren which she adored, along with her great grandchildren.

She loved taking time away with her sister's Wanda and Dee to her condo at Deep Creek Lake, MD where many wine bottles were collected. Also being Auntie Monie to her many nieces and nephews brought her much joy. We were all so blessed to have her in our lives.

There are no words to describe how we how much we will miss our beautiful wife and mother. There are no words to explain the love for our beautiful wife and mother.

Ramona C. Helsel passed away peacefully at home on February 8, 2018.

Honey, mom, you will never be forgotten and in our hearts forever,
Husband Phil and daughter Theda.

“ I will miss everything about Grandma Monie. Most of all the love that she always had for her family. Her house always felt like what a grandmother's house should feel like...home. Im thankful that I had so many years to spend with her, and will have lots of great memories to share with Jase one day. She was so much fun and had such a love of life. We love you!
