“ *To the McKay family. I've always thought of Rodney as my baby brother and David did also. He will be greatly missed. But take solace in knowing that where he is, there is NO MORE cancer, no more pain. He's playing in his band right now. And one day, we will all be reunited. David & I love you guys with all our hearts. And we are always here when you need us.*

“ *My thoughts and prayers our with the family of Rodney. I had the pleasure of working with Rodney, and having a great friendship with him. There was never a day he didn't come to work with a smile on his face, and he always had a joke or story to tell to make everyone laugh. You will be GREATLY missed my friend.*

“ Rod, It is hard to believe that you are gone. You touched many lives in your time here with us. It was a pleasure to be your band mate for many years, and more importantly, your friend. May you now have peace, and may the lord above comfort your family and friends as they mourn. It has been a pleasure to have shared part of my life with you. Until we meet again, it's not good bye.... It's ... See you later brother. RIP Rod

“ I cannot believe that I have to tell you goodbye so soon my dear friend. You will always have a special place in my heart buddy. I'll never forget our road trip to Tennessee with our boys. And I promise to always LOL when I hear J. G. Wentworth or the infamous BUCK DOUBLE. I only knew you for a few years but have always felt as if we were brothers. No more pain and no more suffering. See you again someday. I promise. R. I. P. Homie !!
